TIDEWATER PROPERTY MANAGEMENT MOVES DC METRO OFFICE TO SILVER SPRING

Owings Mills, MD (November 7, 2016) – Tidewater Property Management (<http://www.tidewaterproperty.com>) has moved their DC Metro Office to Silver Spring, Maryland to allow for continued growth and expansion. The new office is located at 12200 Tech Road, Suite 325, Silver Spring, Maryland, 20904, conveniently located on Route 29 and easily accessible between the Intercounty Connector (ICC) Route 200 and the Capital Beltway (Interstate 495).

“Tidewater is continuing to grow at a rapid rate, and this is something we are extremely pleased with. At the same time, we also needed to adapt to this continued expansion,” said Gianna M. Rahmani, Vice President of The Tidewater Companies. “Moving our DC Metro Office has not only allowed us to continue that growth but, since the official move, we have hired two (2) new Tidewater employees to join that office.”

“Everyone who was involved in helping move the DC Metro Office location has shown such dedication. We had employees working way past closing hours and even on the weekends. We are thrilled to be in the new office and look forward to seeing the positive effects of the change,” stated the DC Metro Regional Director, Michele Mergner.

Stanley B. Greenberg, President of The Tidewater Companies adds, “Looking at where Tidewater started and seeing where we are now brings me so much joy. Tidewater will be around for many years to come and this is only a step along Tidewater’s Journey.”
