## TIDEWATER PROPERTY MANAGEMENT EXPANDS SERVICES BEYOND THE CHESAPEAKE BAY BRIDGE

Owings Mills, Maryland, October 2, 2015 - Tidewater Property Management (<http://www.tidewaterproperty.com>) has announced the expansion of its services into eastern Queen Anne's County. The company is excited to make it over the bridge, its reputation garnering countless inquiries and requests for homeowner and condominium management services over the years. The expansion of services gives the area's residents an opportunity to experience Tidewater's signature property management, based on personal customer service, innovation, experience, and knowledge.

Gianna M. Rahmani, Vice President of Tidewater Property Management, comments, "This expansion is yet another step in Tidewater's corporate growth initiative, commensurate with our mission to continually put *Progress in Motion* not only in the communities we service, but in the community association industry as a whole. As Vice President of the Chesapeake Chapter of the Community Association's Institute (CAI), I am proud that Tidewater now encompasses the region covered by the DelMarVa members. Of course, this area is just the beginning and we look forward to further growth into the Eastern Shore areas in the years to come."

Since 1989, Tidewater has offered exceptional customer service and personal care to Maryland property owners, and we continue to work hard to ensure that our clients' expectations are exceeded. Our team of experienced and knowledgeable professionals are here to support you in community, condominium, and homeowners associations, rentals and investment property leasing and management, commercial properties management, property repairs and maintenance, and real estate sales. We have multiple locations serving the Baltimore and DC Metro areas.
