TAMMY EATON JOINS TIDEWATER PROPERTY MANAGEMENT

Owings Mills, MD (October 3, 2016) – Tidewater Property Management (<http://www.tidewaterproperty.com>) is pleased to announce that Tammy Eaton, Community Association Manager, has joined Tidewater Property Management. Tammy has 11 years of experience in the property management field and has been an on-site manager as well as a portfolio manager.

“We are excited to have Tammy join our team. With our expansion over the Chesapeake Bay Bridge, it was critical for us to find managers with the caliber of management skills such as those possessed by Tammy – she is motivated, personable, knowledgeable, experienced, and the list goes on,” said Gail A. Windisch, Director of Association Property Management.

Tammy comments, “This side of the bridge is beautiful and I am lucky to be part of such a progressive company. I look forward to many more years and being part of what the future holds for Tidewater.”

Tammy received her education from both the United States Navy and Millersville University of Pennsylvania. She is a self-motivated team player, who has already shown that she is willing to do whatever is needed for the betterment of the company.
