Owings Mills, MD (February 23, 2021) – Tidewater Property Management (<http://www.tidewaterproperty.com>) is pleased to announce the recent promotion of Joseph Jordan.

In addition to his role of Baltimore Metro Regional Director, Joseph has taken on the responsibilities and supervision of the DC Metro Office. Joe has been a member of the Tidewater family since October of 2016. He was hired as Community Association Manager, and quickly showed his dedication and passion to the community management field and providing the best service possible to our clients. Joe has always expressed the importance of continuing education, and is an outstanding leader within the company, always providing new ideas to better our managers for our clients. In 2018, Joe was promoted to Baltimore Metro Regional Director, managing community association managers and administrative specialists in our Owings Mills office, and serving as a layer of support for our clients in the region.

As he continued to grow in this position Joe expressed interest in creating a stronger link between our Baltimore and DC Metro areas, and growing our business in the Montgomery, Prince George's, Washington DC, and Northern Virginia areas. In order to forge this stronger connection, Joe is now managing all managers and administrative personnel between the two offices and working directly with our clients in both areas to ensure they are receiving the best service available.

"We are extremely proud to recognize the achievements of Joe during his tenure with Tidewater. I believe his management style and commitment to excellence and continued education will allow Tidewater to continue to grow and excel in the community association management field."
