## ORGANIZATIONAL CHANGE AND PROMOTIONS AT TIDEWATER PROPERTY MANAGEMENT

Owings Mills, MD (August 25, 2021) – Tidewater Property Management (<http://www.tidewaterproperty.com>) is pleased to announce the recent promotions of Kathryn (Kate) Cornell and Brooke Jordan. These changes come as the Baltimore Metro Community Management Team continues to expand. The new positions being filled by Kate and Brooke are instrumental in providing support to the Team, which in turn provides the best service possible to our clients.

**Kate Cornell promoted to Assistant Baltimore Metro Regional Director.** In addition to her role of managing a small portfolio of communities throughout the Baltimore Metro area, Kate has taken on the responsibilities and title of Assistant Baltimore Metro Regional Director. Since joining the Tidewater team in 2017, Kate has been a dedicated employee and has consistently surpassed the expectation of Tidewater's Executive team. Kate has worked in the Community Management field for 18 years, managing a variety of different types of associations. In her years in the field, Kate has become a mentor to many, sharing with them her incredible knowledge, and helping them become successful and grow in the industry. In her new role, Kate will be responsible for the professional development and oversight of Tidewater's Community Association Managers.

**Brooke Jordan promoted to Baltimore Metro Administrative Supervisor/HR Specialist.** Brooke began working with Tidewater in 2017 as an Administrative Specialist. Since that time, she has continued to develop and used her love for learning and growth to become well versed not only in the industry of community management, but in the field of Human Resources as well. In her new role, Brooke will be responsible for the professional development and oversight of the Baltimore Metro Administrative Specialists and Client Services Representatives, as well as continue to assist in the Human Resources Department.

"We are incredibly proud to have the privilege to promote within the company, and to continue to provide our Team with the best support and guidance as possible.
